Share of food processing industry

1284. SHRI MD. SALIM: Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to state the share of food processing industry out of total foodgrains, plantation and agricultural produces in the country during the last three year-wise?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI DILIP KUMAR RAY): Food Processing Industries are both in the organised and unorganised sectors. Hence the share of food processing industries out of total food grains, plantation and agricultural produces in the country are not available. However, the total production of food grains which include Rice, Wheat, Jower, Bajra, Maize, Ragi, Pulses, Barley millete and coarse cereals etc. during the last three years are as under:—

1994-95 191.50 Million Tonnes
1995-96 185.04 Million Tonnes
1996-97 193.50 Million Tonnes (Estimated)

Out of the total production of food grains mentioned above, about 10% is retained by the farmers for purpose of seed. Rest of the production is processed by various food processing industries every year. About 2% of the toal production of fruits and vegetables and 4% of the total production of Milk are processed in the organised sector.
